Sugar Bowl

Used Machinery Conference Called

FRESNO, July 6.—Plans to bring all inactive used machinery and equipment into the war effort by smoothing the way for sales to war manufacturers will be outlined to new and used machinery and equipment dealers of the San Joaquin Valley by the W.P.B. at a State Chamber of Commerce sponsored meeting here at 2 p.m. Thursday.

Sugar Bowl Taken Over by 'Waves'

COVINA, July 5.—When "Pop Jenks" comes home on furlough from foreign service with the Army Engineers he'll find that the soda and sundae shop he left behind him has become a "Waves" recruiting office.

It all came about when Mrs. Jenks was appointed a member of the San Gabriel Valley "Waves" Civilian Assistance Committee.

In real life, Pop and Mrs. Jenks are Mr. and Mrs. James C. Reher, and the Sugar Bowl they operate, a favorite rendezvous of Covina High School students, was made famous by the comic strip "Harold Teen," which appears daily in The Times.

A LA CARTE—Mrs. James C. Reher, wife of Pop Jenks of comic strip fame, is shown as she tries to interest Laurene Conlon in joining the "Waves" while she lunches at Covina's Sugar Bowl.
